## 2024 Retail Instock Manager Intern

[Apply Now](#)

Company: Amazon Turkey Perakende Hizmetleri Limited Sirketi

Location: İstanbul

Category: other-general

We're on the lookout for the curious, those who think big and want to define the world of tomorrow. At Amazon, you will grow into the high impact, visionary person you know you're ready to be. Every day will be filled with exciting new challenges, developing new skills, and achieving personal growth.

How often can you say that your work changes the world? At Amazon, you'll say it often. Join us and define tomorrow.

Amazon retail teams work to help improve the selection and shopping experience for customers across our product categories, from books to fashion, electronics to grocery, movies and music to toys and health & beauty, and everything in between. As a retail intern in one of those categories, you will learn how Amazon handles its e-commerce retail business. Working alongside an Instock manager to help provide a suite of services designed to support Amazon's most strategic brands within one of our retail categories. Your priority will be to work backwards from the customer, identifying inputs to grow brands and improve their performance.

Job responsibilities include:

- Develop the analytical and problem-solving skills that our people are known for
- Support vendor managers as well as Amazonians in other functions, such as in-stock and marketing

## About the team

If you're insatiably curious and always want to learn more, then you've come to the right place. Depending on your location, country, job status and other requirements, some or all of the following benefits may be available to you as an intern.

## Competitive pay

- Impactful project and internship/role deliverables
- Hybrid working (team dependent)
- Networking opportunities with fellow interns
- Internships events such as speaker series, intern panels, Leadership Principles sessions, Amazon writing skills sessions.
- Mentorship and career development

Internship start in summer 2024.

Internship length are 6 months; 3 months full time, 3 months part time

We are open to hiring candidates to work out of one of the following locations:

Istanbul, TUR

## **BASIC QUALIFICATIONS**

- Enrolled in a Bachelor's or Master's degree in business administration, management, economics, e-commerce, mathematics, engineering, statistics, or related field with a graduation date between Sep 2024 and June 2026
- Must be able to complete a 6 month summer internship - 3 months full time, 3 months part time
- Minimum one university term/semester remaining after conclusion of internship
- Fluent written and verbal communication in English

## **PREFERRED QUALIFICATIONS**

- Excellent communications and presentation skills
- Ability to work on own initiative and as part of a team
- Results-driven focus with analytical capability
- Ability to innovate and simplify current processes and practices
- Strong direct sales skills and a proven track record of performance
- Experience working with clients
- High affinity towards data and technology with ability to dive deep and analyze opportunities and processes

#### Application and Assessment Process

Selected candidates will be invited to attend a virtual interview consisting of a combination of interviews and case studies. This selection process is subject to change but you will be notified if any changes are made.

Protecting your privacy and the security of your data is a longstanding top priority for Amazon. Please consult our Privacy Notice to know more about how we collect, use and transfer the personal data of our candidates. Applicants who apply for this job will allow Amazon to process your application in a centralized hiring system that considers you for other similar openings as well.
