### Job Description

We are looking for an experienced 3D Artist to join our team. As a 3D artist, you will create a wide variety of environments, characters, and props while maintaining a consistent style throughout the game. In the studio, you will work closely with engineers, game designers, and other artists to create games that will be played by millions of people all around the world.

At Dream Games, all team members have a genuine chance to contribute to the final product and have an impact on the company. If you want to be a team member of a fast-growing company, you might be the person we are looking for!

### Responsibilities

Creating 3D concepts and final images from 2D concepts

Creating realistic and stylistic lighting setups and final renderings

Supporting the development of visual concepts and ideas

Maintaining consistent aesthetic, stylistic, and technical quality throughout the game

### Requirements

Experience in both organic & hard surface modeling, shading, and rendering

Experience in Maya & Photoshop or similar graphics tools

Good understanding of composition, perspective, light, shade, and color

Passion and interest in games

Appreciation and understanding of teamwork
