Company: TD SYNEX

Location: İstanbul

Category: other-general

### About the role:

Experienced Account Manager - Microsoft Business Unit (MBU): We are actively seeking an accomplished Account Manager to lead our Microsoft Business Unit, overseeing client success and driving growth in Azure solutions. In this role, you will excel in client management, providing expert guidance on Azure services, collaborating on tailored solutions, and managing end-to-end project lifecycles. Your continuous improvement mindset will keep us at the forefront of Azure updates and industry trends. As a key contributor to business growth, you will execute the Business Unit strategy, drive sales, onboard new vendors, and support teams in winning tenders. Your negotiation skills and positive vendor relationships will be crucial in securing key deals and maintaining customer loyalty.

### Key Qualifications:

**Ownership and Accountability**Demonstrated strong sense of ownership.

**Azure Expertise:** Proficient in Microsoft Azure services, covering infrastructure, networking, security, and data services.

**Client-Centric Approach**Proven client-facing experience, skilled in relationship building.

**Problem-Solving Skills:** Analytical thinker with the ability to offer innovative solutions.

**Project Management:**Track record in successfully managing Azure deployment or migration projects.

**Communication Skills**Excellent communication skills for both technical and non-technical audiences.

**Certifications:** Microsoft Azure certifications (e.g., AZ-900, AZ-104, AZ-500) are advantageous.

**Technical Expertise:** Strong knowledge for selling Microsoft products and services into Enterprise.

**Advanced Knowledge:** Advanced virtualization or enterprise application expertise.

**Articulation and Storytelling**Ability to articulate Microsoft's value proposition and tell a compelling story.

**Collaboration Skills**Collaborative approach with technical counterparts for account plans and proposals.

**Technical Orientation:** Understanding of Data Center technologies.

**Language Proficiency:** Turkish (C2) and Business-level English.
