We are thrilled to offer an exciting opportunity for an experienced **Accountant** to join our team in Ankara, Turkey. As a key member of our Finance team, you will collaborate closely with the management team to ensure accuracy and consistency in our financial records.

Join PaneraTech, where we drive innovation in heavy manufacturing, making it data-driven and future-ready. If you are willing to work for an innovative technology and want to be part of a dynamic and global team, we encourage you to apply. Your contributions will shape the future of heavy manufacturing industries worldwide.

Who We Are

PaneraTech, Inc develops unique solutions to help customers reliably make more product with their critical assets. Many heavy manufacturing industries such as steel, glass, cement, copper, and aluminum use high temperature processing to melt tons of material in a day.

We help in two main areas:

Asset Life Extension – With our patented solution in the glass and steel industry, we help manufacturers in over 40 countries make data-driven decisions using sensors, data, and AI. This results in longer asset campaigns with higher annual production.

Enabling the next generation of workers – Heavy industry has relied on the experience of employees who worked for 20-30 years in one plant. As a generation of operators and engineers retire, we bridge the experience gap with technology, data, and expertise. We offer solutions to our customers to make their process more

data-driven so that an early career workforce can flourish.
