Company: Amaris Consulting

Location: Turkey

Category: other-general

Job description

We are looking for a qualified **Android Developer** to join our mobile developer team.

If you're passionate about mobile platforms and translating code into user-friendly apps, we would like to meet you.

As a Mobile developer, you'll collaborate with internal teams to develop functional mobile applications, while working in a fast-paced environment. Ultimately, you should be able to design and build the next generation of our mobile applications.

Responsibilities

Support the entire application lifecycle (concept, design, test, release and support)

Produce fully functional mobile applications writing clean code

Gather specific requirements and suggest solutions

Write unit and UI tests to identify malfunctions

Troubleshoot and debug to optimize performance

Design interfaces to improve user experience

Liaise with Product development team to plan new features

Ensure new and legacy applications meet quality standards

Research and suggest new mobile products, applications and protocols

Stay up-to-date with new technology trends

Requirements and skills

Proven work experience as a Android developer

4 years' experience in related area

Demonstrable portfolio of released applications on the Android market

In-depth knowledge of at least one programming language like Kotlin as well.

Experience with third-party libraries and APIs

Familiarity with OOP design principles

Excellent analytical skills with a good problem-solving attitude

Ability to perform in a team environment

BSc degree in Computer Science or relevant field

Why us?

Be part of an international, multicultural environment of 7,750 talented people over 60 countries and 5 continents

Join a fast-growing global group with a turnover of €565M and over 1,000 clients across the world

Explore opportunities to grow quickly with a tailor-made career path: 70% of our key senior talent joined the company at entry level

Take advantage of over 500 training courses in our ACADEMY catalogue, which includes programs in interpersonal communication, team management, project management, etc.

Get the opportunity to support nonprofit organizations thanks to our Foundation

initiatives and volunteering platform OneSmallStep

Depending on your performance and eligibility criteria, you can benefit from international mobility opportunities and progress your career worldwide, and/or experience other departments and sectors

Unlock your full potential, both professionally and personally.
