Job Description

We are looking for an experienced Art Outsource Manager to join our team. As an Art Outsource Manager, you will manage our external art pipelines, maintain the delivery schedule, and ensure the delivery of high-quality assets. In the studio, you will work closely with product and art teams to bridge outsourcing and the studio to maintain a consistent style throughout the game.

At Dream Games, all team members have a genuine chance to contribute to the final product and have an impact on the company. If you want to be a team member of a fast-growing company, you might be the person we are looking for!

Responsibilities

Managing the end-to-end art outsourcing process, including sourcing, onboarding, and maintaining communication with external art studios and individual artists

Coordinating the production of art assets through external partners, including concept, environment, character, vehicle, and animation assets

Ensuring detailed, consistent, and up-to-date documentation for the art production pipeline

Working with cross-functional teams, such as Art and Product, to understand project requirements, establish asset specifications

Developing processes for review, feedback, and approval of delivered assets

Managing all vendor contracts and following project deadlines

Requirements

Previous experience as an outsourcing manager or similar production role

Strong experience in an art-related industry, preferably within the game industry

Strong organizational and project management abilities, with a track record of successfully managing multiple outsourcing tasks

Excellent understanding of 2D assets, 3D models, Rigging, and Animation

Fluency in English

Appreciation and understanding of teamwork

Passion and interest in games

Protecting your privacy and the security of your data is a top priority for Dream Games. We collect and process your personal data as confidential as part of the recruitment process.
