Company: Baker Hughes

Location: Ankara

Category: other-general

Assembly, Maintenance & Overhaul Technician

Do you enjoy technical challenges?

Would you like to work for a forward thinking technology company?

Join our growing team

At Baker Hughes our purpose is clear. We take energy forward making it safer, cleaner and more efficient for people and the planet. Our team partners with the business to effectively enable and sustain change to improve our performance.

Bringing Technology to life

As the Assembly, Maintenance and Overhaul (AMO) Technician for Completions Wellbore Intervention Services you'll perform the mechanical maintenance of CWI Equipment ensuring quality and completion in line with company process and procedures.

As an ARMO Technician, you will be responsible for:

Performing mechanical assembly, maintenance and overhaul on Completion and Wellbore Intervention Equipment

Working to pre-defined procedures in line with established working practices and Quality Standards.

Performing Final Assembly and Testing of equipment in preparation for operational use.

Assisting in the enhancement of maintenance processes, documentation, and quality.

Reading and interpreting assembly prints and parts lists to ensure accuracy and quality

Ensuring maintenance activities are carried out accordingly and safely to ensure compliance requirements

Performing basic mathematical calculations to validate and check specifications

Fuel your passion

To be successful in this role you will:

Have a Technical diploma or Associates degree in a Mechanical field preferred

Have 0-1 years of experience of working in a production, operation, assembly or maintenance environment

Have experience in the oil and gas field preferred

Demonstrate a good mechanical aptitude and a keen desire to learn and improve knowledge and skills

Demonstrate excellent oral and written communication skills

Work in a way that works for you

We recognize that everyone is different and that the way in which people want to work and deliver at their best is different for everyone too. In this role, we can offer the following flexible working patterns:

Working flexible hours - flexing the times when you work in the day to help you fit everything in and work when you are the most productive

Working with us

Our people are at the heart of what we do at Baker Hughes. We know we are better when all of our people are developed, engaged and able to bring their whole authentic selves to work. We invest in the health and well-being of our workforce, train and reward talent and develop leaders at all levels to bring out the best in each other.

The Good Stuff

Our inventions have revolutionized energy for over a century. But to keep going forward tomorrow, we know we have to push the boundaries today. We prioritize rewarding those who embrace change with a package that reflects how much we value their input. Join us, and you can expect:

Contemporary work-life balance policies and wellbeing activities

Comprehensive private medical care options

Safety net of life insurance and disability programs

Tailored financial programs

Additional elected or voluntary benefits
