.fit_to_content{width:%;height:auto}

Our solutions are a key part of most industries - electronics, medical research, renewable energy, food production, infrastructure and many more. Working with us means working with the latest technologies and groundbreaking, sustainable innovations.

Join us on our journey for a better tomorrow.

In close collaboration and under the responsibility of the business controller, you will be responsible for the accounting department and its smooth operations. You will ensure the control of the detailed monthly accounts and prepare the monthly reporting.

The Role;

Lead by example a team of 4 people

Revision of monthly financial statements and reconciliation

Establishing and maintaining effective working relationships with external auditors, regulators, and other stakeholders such as attorneys and external parties such as customers or suppliers

Preparing financial statements for external reporting purposes such as tax returns and local statutory reporting

Ensure compliance to IFRS and Group standards, Business Code of Practice

Internal controls: establish proper level of controls over accounting, taxation and reporting processes, actively participate in policies and procedures implementation

Process and Innovation: actively participate in process and systems improvements and development

Strive for continuous improvement of efficiency of processes in responsible areas

Qualifications;

Ideally, the candidate should have min. 5 years in accounting and finance in international companies

Speak and write English at such a level to be able to communicate with your colleagues (onsite/abroad), and/or other languages

Experience with the analysis of data in Excel, ERP knowledge

Thoroughness is widely appreciated

Ability to work under strict deadlines and ability/passion for bringing things to an end.

Achievement orientation

The position will be located in istanbul - Asian side
