Clinical Trial Manager - FSP (Turkey)

[Apply Now](#)

Company: Parexel

Location: Turkey

Category: other-general

When our values align, there's no limit to what we can achieve.

Clinical Trial Manager based in Istanbul or Ankara. Homebased.

Inviting applications to join our EMEA Clinical Operations Talent Pipeline. Please provide some basic information and upload your resume. As soon as the role becomes available, we will promptly send you an email invitation to officially apply. Thank you for your interest.

At Parexel FSP people make a difference. We have a crucial mission: to prevent and cure disease by delivering important new medicines and therapies to patients in need. We achieve this important goal through the knowledge, expertise, innovation, and commitment of our employees around the world.

Dedicated to one sponsor, a global pharmaceutical company that leads the way in discovering and developing innovative health solutions that help prevent and treat diseases in animals and people.

Our sponsor has a long history of excellence in research, delivering medicines, vaccines, and other health solutions for some of the most difficult diseases in the world.

You will play a key role in supporting, coordinating, and conducting regional and global clinical trials for our clients. This includes full involvement in study start-up, maintenance, and closure, as well as vendor management and CRA oversight.

Expect exciting career challenges and exceptional financial rewards, training, and development. but with a healthy work-life balance. We value your well-being as much as that

of our patients.

Experience required:

If you are a professional with 2 at least years of experience in leading clinical trials and a minimum of 5 years as a CRA, as well as a solid background in project management or people management, we can offer you a stellar future.
