

Cost Engineer - (Saudi Arabia)

[Apply Now](#)

Company: Eram Talent

Location: Ankara

Category: other-general

Eram Talent is currently seeking a Cost Engineer to join our team in Saudi Arabia. As a leading talent acquisition company, we specialize in providing recruitment solutions to the Oil & Energy industry. The Cost Engineer will be responsible for analyzing project costs, creating budgets, and ensuring cost control throughout the project lifecycle. They will collaborate closely with project managers, engineers, and other stakeholders to achieve project objectives within specified budgets.

Responsibilities

Analyze project plans, specifications, and contracts to determine project costs

Create estimates, budgets, and cost control plans for projects

Monitor and track project expenses and report any variations or deviations

Identify cost-saving opportunities and propose value engineering solutions

Collaborate with project teams to develop accurate project cost forecasts

Review and approve invoices and change orders for payment processing

Prepare cost reports and provide regular updates to project stakeholders

Requirements

Bachelor's degree in Engineering, Construction Management, or a related field

Minimum 7 years of experience as a Cost Engineer in the Oil & Energy industry

Strong knowledge of cost estimating, budgeting, and cost control techniques

Proficiency in cost management software and Microsoft Excel

Excellent analytical and problem-solving skills

Strong communication and interpersonal skills

Ability to work effectively in a team environment

Prior experience in Saudi Arabia or the Middle East region is preferred
