Responsibilities

SG Corporate and Investment Banking Türkiye is one of the foreign banks with the longest history in Türkiye. The bank started its operational activity in 1990 and soon became a leading partner for large corporate and financial institutions.

SG CIB Türkiye offers tailor-made financial solutions for its clients via its branch in Istanbul with a team of close to 50 professionals and leveraging on its international expertise in Investment Banking, Global Finance and Global Markets. Thanks to its longstanding involvement in the financing of important development and infrastructure projects in the country, SG CIB Türkiye has built strong relations with the largest companies operating in the Turkish market. SG CIB plays a key intermediary role between issuers and investors, corporates and financial institutions, offering issuers a broad access to markets and offering investors smart solutions and access to investment opportunities.
