Company: Brambles

Location: Istanbul

Category: other-general

CHEP helps move more goods to more people, in more places than any other organization on earth via our 300 million pallets, crates and containers. We employ 11,000 people and operate in more than 55 countries. Through our pioneering and sustainable share-and-reuse business model, the world's biggest brands trust us to help them transport their goods more efficiently, safely and with less environmental impact.

What does that mean for you? You'll join an international organization big enough to take you anywhere, and small enough to get you there sooner. You'll help change how goods get to market and contribute to global sustainability. You'll be empowered to bring your authentic self to work and be surrounded by diverse and driven professionals. And you can maximize your work-life balance and flexibility through our .

Job Description

Position Purpose:

Responsible for all export/import operations of CHEP TR. Work closely with planning, logistics and SC teams for smooth management of CHEP container pool. Flawless document and stock management of assets with related teams and customs. Follow the performance of the custom broker.
