Company: CHUBB

Location: Turkey

Category: other-general

Do you have an Underwriting and Commercial Cyber Insurance background and interested in growing your career as an Underwriter in Financial Lines Team of Chubb Turkey?

If you are interested in joining one of the largest insurers in the world with excellent employee benefits, then we would love to hear from you!

The main purpose of this role is to support our Financial Lines team in Underwriting, Servicing and Developing the Cyber portfolio for Turkey. We aim to achieve this through brokers, agencies, and clients.

This is an ideal opportunity for someone who is outgoing with strong business development and relationship management skills. We are looking for you to be self-driven, efficient, organized and result oriented!

Please ensure an up-to-date CV is attached to your application if applying via our external adverts.

### **KEY RESPONSIBILITIES**

To underwrite and produce new business and renewals according to defined underwriting guidelines, specified budget, and business plans. We need in depth Cyber underwriting experience along with Financial Lines underwriting skills.

To assist the Financial Lines team in development and management of portfolio, market profile and producer relationships. This involves regular liaison with brokers and/or clients.

To maintain files, monitor and service existing policies.

To interact with the internal teams regarding bookings, credit control and other related

operations.

To work within the framework of Chubb ethical and service standards.

Adhere to agreed service levels both internally and externally. Produce management reports within given deadlines.

### **SKILLS AND EXPERIENCE REQUIRED :**

University degree

Underwriting experience in Cyber line of business is desirable, and we will also consider candidates with experience gained in other roles within insurance.

Underwriting experience in Financials Lines, Cyber Risks Insurance, Technology Errors & Omissions is highly desired.

Fluent in English
