## Data Center Services Senior Specialist - Ankara

[Apply Now](#)

Company: Vodafone

Location: Ankara

Category: other-general

Your dream job does exist.

Discover it at Vodafone!

Join our journey as we connect for a better future. Ready?

We are looking for a **Technology Centers & Energy Systems Services Senior Specialist**  
**First things first: Our Brand.**

Here are the key behaviours that help us bring our Spirit and Purpose to life:

Earn customer loyalty: Small things do matter.

Experiment, learn fast: Just take the chance.

Create the future: That s possible.

Get it done, together: It s up to each of us to make it happen.

Here, everyone can feel free to be themselves and express their ideas.

We are proud to have the most flexible #hybrid way of working in Turkey.

Together with your team, you can decide which days to come to the office depending on your work requirements.

Another favorite: Meeting-free afternoons! Every Friday, arrival of the noon means we can start to take it easy: spend time working on our personal development or catching up with our team. We call this #CumaKafas (Friday mood :)).

And yes we are Agile! The world is constantly changing. And we cannot afford not to!

Our journey began by simplifying our organizational model and transforming into a more agile structure that now we use extensively, especially in our development processes.
