CHEP helps move more goods to more people, in more places than any other organization on earth via our 300 million pallets, crates and containers. We employ 11,000 people and operate in more than 55 countries. Through our pioneering and sustainable share-and-reuse business model, the world's biggest brands trust us to help them transport their goods more efficiently, safely and with less environmental impact.

What does that mean for you? You'll join an international organization big enough to take you anywhere, and small enough to get you there sooner. You'll help change how goods get to market and contribute to global sustainability. You'll be empowered to bring your authentic self to work and be surrounded by diverse and driven professionals. And you can maximize your work-life balance and flexibility through our .

Job Description

The Finance Business Partner for India, the Middle East, and Türkiye will lead and oversee all financial aspects of the company's operations in these regions. This role is essential in guiding the financial strategy, ensuring robust financial management, and driving business growth and transformation. The Finance Director will play a crucial role in financial planning, analysis, and control, while also serving as a strategic partner to the business units, ensuring alignment of financial goals with the company's overall objectives. This position requires a dynamic leader who can effectively navigate diverse market landscapes, champion financial best practices, and lead a team towards operational excellence and innovation. The Finance Director will also be instrumental in delivering transformation

plans, optimizing financial processes, and contributing to the long-term financial health and success of the organization.

Lead the IMET Finance team to provide the wider business with analytics and insights to support strategic and operational decision making, and in doing so, influences improved business performance and capital allocation decisions.

Lead the development and management of the annual budget and quarterly forecasting processes. This involves working with the regions to develop budgets and forecasts, reviewing and analyzing budget variances, and recommending changes to achieve financial targets.

Delivery of the bankable plan. Short term achievements for FY23 and ensuring framework and structure for achievement of the outer years.

Finance business Partnering to provide the relevant support and insights to drive the delivery of the overall asset management strategy.

Lead the risk management process for IMET Developing and implementing a comprehensive risk management strategy. This includes identifying and assessing risks and supporting in the development of risk mitigation plans.

Preferred Education

Bachelors - Accounting, Qualified Professional and Equivalent. Basic (3 years) - Accounting

Preferred Level of Work Experience

More than 10 yearsHybrid Remote

We are an Equal Opportunity Employer and we are committed to developing a diverse workforce in which everyone is treated fairly, with respect, and has the opportunity to contribute to business success while realizing his or her potential. This means harnessing the unique skills and experience that each individual brings and we do not discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, religion, sexual orientation, gender identity, status as a veteran, and basis of disability or any other federal, state, or local protected class.
