

Engineer - Civil (Saudi Arabia)

[Apply Now](#)

Company: Eram Talent

Location: Ankara

Category: other-general

Eram Talent is seeking a skilled and experienced Civil Engineer to join our team. As an Engineer - Civil, you will be responsible for managing and overseeing various civil engineering projects for our clients in a wide range of industries. Eram Talent is a reputable Talent Acquisition company with a strong global presence, dedicated to delivering exceptional recruitment solutions for specialized industries.

If selected, the job location would be **Saudi Arabia**.

Responsibilities

Lead the planning and execution of civil engineering projects, from conceptualization to completion.

Collaborate with cross-functional teams and external stakeholders to ensure project deliverables are met on time and within budget.

Supervise and provide guidance to junior engineers and other project team members.

Ensure compliance with industry standards, regulations, and best practices.

Prepare and review technical reports, drawings, and other project documentation.

Manage project budgets, schedules, and resources effectively.

Stay updated with industry advancements and developments.

Requirements

Bachelor's degree in Civil Engineering or a related field.

Minimum of 8 years of experience in civil engineering projects in the Oil & Gas Domain.

Strong communication and interpersonal skills.

Proficiency in project management tools and software.

Knowledge of relevant regulations and standards.

Ability to prioritize and manage multiple tasks effectively.

Strong problem-solving and analytical skills.
