

Engineer - Planning (Saudi Arabia)

[Apply Now](#)

Company: Eram Talent

Location: Ankara

Category: other-general

Eram Talent, an independent Talent Acquisition Consultancy and a division of ERAM Group, is seeking a highly motivated and competent Planning Engineer to join our client in the Oil & Gas industry. As a Planning Engineer, you will be responsible for developing project schedules, coordinating with project team members, and ensuring the timely delivery of work in accordance with project timelines. This is a great opportunity to work with a reputable company and contribute to the success of their projects.

If selected, the job location would be **Saudi Arabia**.

Responsibilities

Develop and maintain project schedules and plans, ensuring accuracy and adherence to project requirements.

Coordinate with project team members to ensure project timelines are met and resources are utilized effectively.

Proactively identify project risks or issues and develop contingency plans to minimize potential impacts.

Monitor project progress and provide regular updates to project stakeholders.

Ensure compliance with project specifications, codes, and standards.

Collaborate with engineering teams to optimize project efficiency and cost-effectiveness.

Utilize project management software and tools to support planning and scheduling activities.

Requirements

Bachelor's degree in engineering or related field.

Prior experience as a Planning Engineer in the Oil & Gas industry.

Minimum of 8+ Years of relevant Work Experience.

Strong knowledge of planning and scheduling principles and methodologies.

Excellent analytical and problem-solving skills.

Ability to work effectively in a team environment.

Proficient in project management software and tools (Primavera, MS Project, etc.).

Strong communication and interpersonal skills.

Attention to detail and ability to meet deadlines.
