Engineer - Scheduling (Saudi Arabia)

[Apply Now](#)

Company: Eram Talent

Location: İstanbul

Category: other-general

Eram Talent, a leading talent acquisition consultancy in the Oil & Energy industry, is seeking a skilled and motivated Scheduling Engineer to join their team. As a Scheduling Engineer at Eram Talent, you will be responsible for developing and managing project schedules, monitoring progress, and ensuring timely delivery of projects.

The company's mission is to connect top talent with leading companies in the industry, and they are committed to providing excellent recruitment solutions.

If selected, the job location would be **Saudi Arabia**.

Responsibilities

Develop and manage project schedules using scheduling software such as Primavera P6 or Microsoft Project

Monitor and track project progress against schedules and milestones

Identify and analyze schedule risks and propose mitigation strategies

Collaborate with project managers and teams to ensure timely project delivery

Generate and present regular reports and updates on project schedules

Continuously improve and optimize scheduling processes and methodologies

Requirements

Bachelor's degree in engineering, construction management, or a related field

Minimum of 10 years of experience in project scheduling within the Oil & Energy industry

Proficiency in scheduling software such as Primavera P6 or Microsoft Project

Strong analytical and problem-solving skills

Excellent communication and interpersonal skills

Ability to work independently and in a team environment

Attention to detail and strong organizational skills
