## Environmental Consultant

[Apply Now](#)

Company: RINA

Location: İstanbul

Category: other-general

RINA is currently recruiting for a **Environmental Consultant** to join its office in **İstanbul** within the Green Energy Solutions Division.

### Mission

RINA Consulting is currently seeking an Environmental Specialist to work with our Environment, Social and Governance Business Unit. The candidate will be part of the team assigned to assess, review and monitor the social aspects of projects promoted by International Financial Institutions. This position will be part of RINA's international team and will be based in Istanbul, Turkey.

### Key Accountabilities

Oversee assignments from start to end

Organize the team for the assignment, act as a technical expert within the project delivery team, join site visits, draft relevant deliverable sections

Undertake and manage the quality review of project deliverables according to the RINA QA/QC procedure

Collaborate effectively with the global ESG team across the business for mutual success

Manage the RINA project control database, including budget allocation on proposals, periodic check of ongoing projects, issuance of invoices, etc.

### Qualifications

MS or MA degree in an environmental engineer or sciences, health and safety or related

engineering subject

Up to 5 years of experience and knowledge of environmental, health and safety management systems, practical experience in EHSS due diligence/audits of various assets/facilities/infrastructures

Aermod air quality modelling, ability to use WindPro to undertake shadow flicker, noise and visual impact assessments are big pluses

Working experience and knowledge of IFC/ADB/EBRD/Equator Principles or other Lenders' environmental, social, health and safety standards

Able to communicate effectively at all levels of the organization and with external customers

Demonstrate strong interpersonal and leadership skills

Excellent command of English, both written and oral. Knowledge in other languages is highly appreciated

Availability to travel internationally for project needs and for short term assignments

#LI-MP5

With over 5,600 employees and 200 offices in 70 countries worldwide, RINA is a multinational player which provides certification, marine classification, product testing, site supervision and vendor inspection, training and engineering consultancy services across a wide range of sectors. Our business model covers the full process of project development, from concept to completion. The aim is to guarantee a project's technical, environmental and safety - and sometimes also economic and financial - sustainability.

At RINA, we endeavor to create a work environment where every single person is valued and encouraged to develop new ideas. We provide equal employment opportunities and are committed to creating a workplace where everyone feels respected and safe from discrimination or harassment of any kind. We are also compliant to the Italian Law n. 68/99.
