QUALIFICATIONS AND JOB DESCRIPTION

EY is a global leader in Assurance, Tax, Consulting and SaT (Strategy and Transactions) services.

The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

Our 300 000 people, in more than 150 countries, are united by our shared values, which inspire our people worldwide and guide them to do the right thing, and our commitment to quality, which is embedded in who we are and everything we do. Our offices around the world use the same methodology and are linked through an integrated technology platform to enable instantaneous communication and collaboration among team members, regardless of location. As a member of EY Global, in Turkey we operate in 6 offices located in Istanbul, Ankara, Bursa, Izmir and Adana with more than 2000 people for 30 years.

EY Global Delivery Services means specialists providing globally IT, HR, finance, project management and strategic business services to EY member firms .In addition we deliver support and solutions to external clients from all over the world.

We are seeking for a Manager to join our Assurance – Audit and Accounting Services team in Bursa with the following qualifications;

Strong academic background, including a Bachelor's or Master's degree in Business, Finance, Economics or other related field

Minimum 5 years of relevant work experience in risk-based auditing and risk and control strategies

Professional accountancy qualification (SMMM, CPA, SPK)

Excellent knowledge of IFRS and local GAAP

Compliance with and understanding of regulatory requirements

English language skills - excellent written and verbal communication

Job Description

Manage the financial aspects of assurance engagements and communicate significant issues, fees and estimates-to-complete to partners and clients

Making technical contribution to audit client engagements and internal projects

Planning and executing complex assurance engagements

Develop and maintain productive working relationships with clients

Assist partners to generate new business opportunities and build client networks and relationships

Develop people through effectively supervising, coaching and mentoring all levels of staff
