[Apply Now](#)

Company: EY

Location: İstanbul

Category: other-general

EY is a global leader in Consulting, SaT (Strategy and Transactions), Tax and Assurance services.

The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

Our 395 000 people, in more than 150 countries, are united by our shared values, which inspire our people worldwide and guide them to do the right thing, and our commitment to quality, which is embedded in who we are and everything we do. Our offices around the world use the same methodology and are linked through an integrated technology platform to enable instantaneous communication and collaboration among team members, regardless of location. As a member of EY Global, in Turkey we operate in 6 offices located in Istanbul, Ankara, Bursa and Izmir, Adana with more than 2000 people for 30 years.

At EY, we are at the forefront of integrating AI and advanced analytics into our consulting services, driving transformational change across various industries. Our dedicated AI arm, , exemplifies our commitment to leading the AI revolution, providing cutting-edge solutions that redefine the boundaries of technology and business. We leverage the power of AI to unlock new possibilities, deliver insightful analysis, and create unparalleled value for

our clients.

We are seeking for a **SAP CO Senior Consultant** to join our **Technology Consulting** team with the following qualifications.
