Company: Baker Hughes

Location: Ankara

Category: other-general

Would you like to work with cutting-edge drilling technology?

Do you love collaborating with teams to solve complex problems and deliver solutions?

Join our growing team

We are the leader in well construction and production. Our innovative physical and digital solutions improve efficiency, production and maximize reservoir value.

Partner with the best

As a Directional Driller, you'll run the operations of drilling sites using the latest technology. You'll have access to innovative equipment to effectively monitor our well-sites. You will troubleshoot problems and act quickly to ensure efficiency is maintained for our customers.

As a Directional Driller, you will be responsible for:

Following internal compliance and HSE standards to ensure a safe working environment

Delivering high standard services by following quality and outlined process and procedures

Delivering complex well trajectories such J type, S type, High DL, SideTrack (open hole and Whipstock)

Communicating technical guidance and advice to customers and third-party well-site colleagues

Solving often complex drilling problems, by monitoring, analyzing and evaluating incidents using logging and drilling data

Fuel your passion

To be successful in this role you will:

Minimum of a Bachelors degree in engineering or science

Have 5 years drilling in oil and gas experience.

Having minimum 3 years experience as directional driller (compulsory drilling motors experience and preferred RSS knowledge)

Enjoy travelling to customer locations and being flexible to customer requirements

Show the ability to perform basic engineering calculations

Show good problem-solving and analytical skills, with the ability to identify and implement improvements

Be a positive team player and show the ability to adapt in an ever-changing, dynamic environment

Good in English (speaking and written) and excellent all-round communication skills

Work in a way that works for you

We recognize that everyone is different and that the way in which people want to work and deliver at their best is different for everyone.

Working with us

Our people are at the heart of what we do at Baker Hughes. We know we are better when all of our people are developed, engaged and able to bring their whole authentic selves to work. We invest in the health and well-being of our workforce, train and reward talent and develop leaders at all levels to bring out the best in each other.
