Company: HITACHI ENERGY TURKEY ELEKTRIK SANAYI ANONIM SIRKETI

Location: İstanbul

Category: other-general

### Description

#### QUALIFICATIONS AND JOB DESCRIPTION

Are you ready to make a real difference within Hitachi Energy, the global leader in power technologies and the partner of choice for enabling greener power grids? Kickstart your professional career.

Your assignments will be in a variety of areas like finance, financial planning and reporting, treasury, accounting in Transformers business. You'll benefit from individual training and development plans, professional mentoring, exposure to executives, and build a network.

You will have to demonstrate personal leadership, teamwork and collaboration abilities, with a high level of initiative, self-confidence, and display future leader aspirations.

#### Your Background

Bachelor degree in accounting, finance, or business administration.

No more than 2 year of professional experience within your field of studies by the start date.

Excellent knowledge in English,

Good expertise with Microsoft Office programs

Great collaboration skills and intercultural sensitivity

High level of drive and personal ownership

Excellent attention to detail, precision, and the ability to handle multiple tasks simultaneously.

Analytical mind with strong planning and self-learning skills, teamwork oriented.

### **What do we offer?**

Join a team of experienced professionals and take your place to work in the team!

You will have challenging graduation internship in which you get the opportunity to work in an international organization.

You will have the chance to participate in integration projects, in cross functional teams, involving both local and global functions

Gain an insight about how global organizations are structured to create synergies in their financial processes and resources

You can ensure and effective communication within the Transformers and the other internal customers to identify and discuss issues, make suggestions for improving operations, quality of work, and efficiency.

**\*\* If you interested and excited to be part of the Hitachi Energy Controlling team, do not hesitate and apply quickly until 31.12.2023.**
