The complexity of our global financial, accounting, and compliance function is expanding in tandem, making our Finance team key to the company's growth.

That's why we're looking for a bright, pragmatic, and detail-oriented mind, able to raise the bar of the financial and fiscal performance of our Turkish business as Finance Manager.

If this sounds interesting to you, we should have a chat!

YOUR CHALLENGE WILL BE:

To carry out, report and archive our company's Financial and Administrative works within the scope of our budget and planned income / expense discipline;

to represent the company before professional organizations and public institutions, to maintain public relations in matters related to their duties;

to ensure the financial discipline related to the preparation and implementation of our company's budget, to share the record and report system with the senior management;

to ensure and control that all collections within the legal framework of our company's accounting are processed in the central cashier;

to carry out the invoice process by following our collections that are in accordance with the customer contracts and to make them turn into collections;

to monitor the payments of suppliers and all purchased goods and services in a planned payment system;

to control cash, checks, promissory notes and other securities in the company's vault;

to reconcile bank accounts;

to ensure that customer, vendor and other current accounts are kept properly and accurately;

to control all kinds of cash flow (TL, Foreign Exchange) entries and records;

to control all financial transactions made by the departments;

to prepare all tax returns and ensuring timely notifications.

WHO YOU ARE:

You hold a degree in business, economics or finance;

You have fun working in growing, complex and international environments;

You have done this for 3-5 years;

You have worked in service industry, better if in logistics;

You speak English fluently.
