As NTT DATA Business Solutions, we are more than just a company. We are a team of innovative and passionate people who specialize in creating value-added SAP solutions and guiding our customers on their journey to becoming intelligent businesses. We focus on SAP Consulting, SAP Development, Managed Cloud Services, and Application Management Services (AMS) & Technology.

Our success is based on DIVERSITY, INNOVATION, TRUST, and SUSTAINABILITY - these values are at the heart of our corporate culture.

As part of the global NTT DATA Group, one of the top 5 IT service providers worldwide, we stand for our open and sustainable corporate culture. More than , employees from nations in over countries show that diversity is integral to our DNA.

People are the key to our success, and we are constantly on the lookout for talented people.

ARE YOU READY TO BREAK NEW GROUND?

**Location:** Global

### What makes us special:

We have a holistic view of the individual needs of our employees.

■ **Flexible working hours and locations:** workation, mobile working, part-time models, sabbaticals, etc.

■ **Your further development by plan:** topic-specific induction, targeted career development based on career models, programs and your own academy

■ **SAP Platinum Partnership:** strong SAP partnership, large knowledge network, and SAP Learning Hub and certification opportunities.

### **Do you love challenges?**

The **Global Innovation & Industry Consulting (GIIC) Business Function operates in a matrix organization across all local and regional business units** . This is a position in the Global Portfolio & Solution Management team within GIIC, who focus on enabling profitable growth of Industry and LoB Business in countries.

As **Global Portfolio Specialist (f/m/d)** your main tasks will include:

■ Portfolio management for two focus areas as well as one additional industry or line of business portfolio

■ Support the topic owner by developing and implementing a global portfolio & go to market strategy and align with overall company strategy as well as collaborate with local units to adapt portfolio

■ Collect market & sales information and analyze the portfolio regarding white spots and optimization potentials

■ Support the qualification processes of consulting services

■ Support local organizations with pipeline, enablement and presales activities to contribute to our portfolio success

### **Convince us with your potential!**

**Your several years of work experience in Global Portfolio Management proves:**

■ You use your strong communication skills for cross team collaboration to ensure an overall view on your portfolio area

■ You have the ability to work in an international environment including remote collaboration

■ You have strong presentation skills and presence in customer conversations

**We would welcome the following:**

■ You have a degree in business administration, economics, or a degree with similar focus

■ Ideally, you have already gained experience in the area of portfolio management for business software or as a presales/solution architect and have built up know-how for IT solutions, preferably SAP

■ Your profile is rounded off by excellent communication skills (spoken and written) in English; other languages are a plus (e.g. German)

## Do you have questions?

We look forward to receiving your complete application documents stating your earliest start date.

**Get empowered by NTT DATA Business Solutions!**
