Company: Sanction Scanner

Location: İstanbul

Category: other-general

Join us in shaping the future of financial technologies as **Head of Product** at Sanction Scanner!

Sanction Scanner is a global fintech solution partner, providing technology solutions to prevent financial crime. We offer a diverse range of products and services in connected areas of fintech, including identity verification services, KYC/KYB, and anti-money laundering solutions. Our trusted solutions have been used by over 300 brands, ranging from high-growth fintechs to legacy high street banks.

As the **Head of Product** at Sanction Scanner, you will lead and manage our product management team to drive our product strategy forward and ensure the successful delivery of our products. Key responsibilities include:

Requirements

Bachelor's degree in Computer Science, Business Administration, or related field

5+ years of experience in product management or related roles

Proven track record of successfully launching and managing software products

Excellent leadership and team management skills

Strong analytical and strategic thinking abilities

Experience with Agile methodologies and working in cross-functional teams

In-depth knowledge of the fintech industry and regulatory requirements

Exceptional communication and presentation skills

Ability to influence stakeholders and drive consensus

Expectations:

Developing and executing the overall product strategy and roadmap

Leading and managing a team of product managers and designers

Collaborating with stakeholders to define product goals and priorities

Working closely with development teams to ensure timely and high-quality product delivery

Monitoring market trends and conducting market research to identify customer needs and opportunities for innovation

Driving product innovation and keeping up-to-date with industry best practices

Overseeing product lifecycle management, including pricing, positioning, and go-to-market strategies

Building strong relationships with customers and gathering feedback to inform product enhancements

Monitoring product performance and KPIs, and making data-driven decisions

Benefits

A Competitive Compensation Package- NET Salary payment with additional fringe benefits.

A meal compensation that is actually enough for a decent & nutritious lunch

Inclusive Health Benefits We are here for you with comprehensive support whenever you need it

Strong Appreciation and Reward Culture Your impact on Sanction Scanner's growth will be appreciated

Digital Membership Support A balance you can use for your digital memberships.

Learning never ends! Training budget to help you grow in your role, gain new skills, and learn new things!

No Dress Code Dress as you like.

Dream Team. Be a part of great team and grow together

Software support. Subscription to any software you might need to perform at your best

Experience an international work environment that fosters positive energy through a caring team.

Be a part of shaping the future of Sanction Scanner by joining our innovative creators.

We provide equal opportunity to all, we do not discriminate based on gender, sexual orientation, disabilities, religion, or social origin.
