

Industrial Sustainability, Environmental & Energy Specialist

[Apply Now](#)

Company: Ferrero

Location: Turkey

Category: other-general

Job Location: Manisa

Company description

Ferrero is a family-owned company with a truly progressive and global outlook and iconic brands such as Nutella®, Tic Tac®, Ferrero Rocher®, Raffaello®, Kinder Bueno® and Kinder Surprise®. As the love for our brands continues to grow, so too does our global reach. Represented in more than 50 countries, with products sold in more than 170, the Ferrero Group is loved by generations around the world. The secret to our global success? 38,767 dedicated employees who celebrate care and quality to craft a business, careers and brands we are proud of. Join us, and you could be one of them.

Diversity Statement

Ferrero is committed to building a diverse and inclusive culture in which all employees feel welcomed and appreciated and have the same opportunities. We believe all of our people are equally talented in their own way. In nurturing the curiosity and natural abilities of our employees, we provide them, generation after generation, the means to succeed personally and professionally, enabling them to craft their journey at Ferrero. The diversity of our talents is what makes our work environment multicultural, innovative and highly rewarding.

About the Role:

At Ferrero, we're not just crafting the world's beloved confections; we're also deeply committed to crafting a better, more sustainable world.

In our continuous journey towards environmental excellence, we're looking for an inspired and innovative **Industrial Sustainability, Environment, and Energy Specialist** join our dynamic team in **Manisaplant**. This pivotal role is designed for a passionate individual who dreams of making a significant impact, ensuring our operations harmonize with our planet.

If you're driven by the challenge of reducing environmental footprints, optimizing energy consumption, and pioneering sustainable practices within the heart of the industry, we invite you to bring your vision, expertise, and energy to Ferrero. Together, we can sweeten the future in the most eco-friendly way possible.

Main Responsibilities:

Facilitate environmental compliance and promote initiatives to achieve our energy efficiency objectives

Contribute to environmental management system audits to ensure adherence and improvement

Analyze energy supply needs within our manufacturing processes and assist in budgeting for environmental and energy-related matters

Provide support in building plant's energy structure in long and medium term and define energy supply contracts

Engage in continuous improvement projects, aiming to enhance environmental and energy awareness and be compliant at all levels of the plant

Keep legislative changes updated which may affect environmental and energy policies

Draft and update procedures and instructions related to energy and environment, ensuring compliance and best practices

Who we are looking for:

Bachelors' degree from Environment Engineering

Preferably 3-4 years of experience

Strong analytical problem solving skills with detail-focus

Good communication skills and team member

Ambitious, confident and able to take initiative

Fluency both in English & Turkish

How to be successful in the role and at Ferrero:

Consumers, quality and care are at the heart of everything we do. So, to be successful at Ferrero, you'll need to be just as consumer and product centric as we are - dedicated to crafting brilliant results for consumers around the world.
