### Description

Corteva welcomes talented and motivated individuals to join our internship programme, designed to advance your career and give you an opportunity to contribute to Corteva's mission. We are committed to diversity and encourage applications from all qualified candidates. You can truly be yourself and belong, share inspiration, embrace new opportunities, thrive, and make a real difference.

This is an amazing opportunity to work with our qualified employees within a stable and dynamic working environment that values ethics above anything else.

### **Growing What Matters Starts with you...What Can We Offer To Help You Grow?**

Gain a good understanding of our mission, business model, and day-to-day operations.

Expand your work experience with meaningful assignments and projects.

Develop your existing skills and learn new ones that will be useful for your career.

Work in a dynamic and multicultural environment that will help you broaden your professional network

### **You Will Be Part of a Growing Team**

As a Corteva Intern, you will get EMEA regional exposure and interact with other interns in the region.

The main goal is to provide you with a quality learning experience. In turn, our interns will lend their expertise from various fields to our mission as an intern at Corteva.

You will be working with the Environment, Health and Safety (EHS) Officer to guarantee that the production activity of our site in Adana is performed in compliance with country legal and Corteva policies.

**Your Challenge:**

Support the site EHS consultant with safety, health and environmental issues.

Help tracking site audits and findings.

Assist with delivery of safety trainings.

Evaluation of safety operational procedures, core permits and document controls.

Collaboration with site leaders and understanding plant & field activities to enforce safe operations.

**Key Stakeholders and Interactions:**

Teamwork is a big part of life here, so you must be someone who loves taking a collaborative approach and who can recognize and acknowledge the contribution of others. You'll also be able to motivate and inspire the people around you by bringing enthusiasm and positivity to everything you do.

**Location:**

Adana, Turkey

**Duration:**

6 months

**Qualifications**

**To Grow What Matters, You Will Need**

You are currently pursuing or have recently completed a graduate or post-graduate degree in engineering or field related.

You are fluent in English, Corteva's working language.

You have not previously participated in an internship at Corteva.
