Ihre Aufgaben

Support our subsidiary in the fields of Sales, Service, Finance or Human Resources

You will be part of a motivated and ambitious team with whom you will actively shape our success story

An individual on-site induction, daily training and coaching sessions and an open feedback culture will enable you to develop your professional and personal skills

In addition, you can expect flat hierarchies, a lot of personal freedom and fair remuneration

You will gain international experience in one of our branches and have the opportunity to immerse yourself in a different culture and way of life and work

Ihr Profil

You are currently in your studies

You are enthusiastic about one of the possible departments/areas and you enjoy dealing with customers

You have strong communication skills, determination and persuasiveness

Ideally, you have some experience in these areas or in dealing with customers, but what counts most is your motivation and personality

Business fluent Turkish skills and very good English skills

Please note that you should apply approximately six months in advance to allow enough time to plan your internship
