IT Network Engineer

[Apply Now](#)

Company: Wyser Turkey

Location: Sariyer

Category: other-general

Job Description:

Wyser is the international company within Gi Group in charge of searching for and selecting specialized middle and senior management.

We are looking for a **IT Network Engineer** for one of our global business partners, which is one of the world's largest independent commodities trading houses by turnover, creating logistics solutions that safely and efficiently move physical energy from where it is sourced and stored to where it is demanded most.

Responsibilities:

Monitor the global network eco-system to ensure issues are addressed to maintain SLA'S.

Become ICT Owner of specific products and ensure that all the responsibilities surrounding ICT ownership, such as product evolution, design and documentation are addressed.

Diagnose, analyze and solve problems over the numerous technologies

Analyze network performance and provide operations reports on the network infrastructure.

Design and perform installation of new sites.

Be a project manager and technical resource on Global and regional Projects to implement new technologies.

Provide architectural insight and possible improvements that could be made based on the IT Strategy. Ensure that systems are managed per established SLA (Service Level

Agreement)

Support for global deployment will require off-hours support across multiple time zones.

Soft Skill Requirements:

Wide understanding of global corporate technologies: Network Protocols (STP, ARP, DHCP, DNS and DNS management, IPSec); Geo-location technologies; Switching; Routing and Routers technologies (Peplinks); Web Proxy management; Fortinet firewalls; SSLVPN remote gateway technologies; WAN optimization; Load Balancers; Wifi Technologies.

Knowledge in the following technologies is a plus: Cisco VoIP, Cisco Nexus vPC, Microsoft Azure, SDWan;

Previous working experience as a network specialist from an international company.

Global projects management experience.

Good time management skills.

Fluent English language skills, any other language is a plus.

Excellent communication and collaboration skills.

Team player with sense of urgency and respect of deadlines.

Process oriented person.

5+ years' administrating experience and support other network related products such as AD, networking and related technical infrastructure

Must be a strong team player

Gi Group işgücü piyasasının gelişimi için hizmet veren, dünyanın önde gelen şirketlerinden biridir. Hizmet verdiği lokasyonlarda, dönemsel ve sürekli iş ilişkileri, seçme ve yerleştirme, İK danışmanlığı ve eğitim ve birçok ilgili tamamlayıcı alanlarda faaliyet göstermektedir. Gi Group ofisleri ve stratejik iş ortakları dahilinde Avrupa, Afrika, Asya ve Amerika genelinde 58'den fazla ülkede faaliyet göstermektedir. **sayılı kararına göre** lisans sahibi özel istihdam bürosudur.”
