[Apply Now](#)

Company: IQVIA

Location: İstanbul

Category: other-general

Clinical Research Associate

IQVIA Turkey is looking for talented and motivated team member to join our Sponsor dedicated team as junior CRA. At this position you will have the opportunity to put your passions to work in an environment designed to help you gain experience in a wide variety of therapeutic areas, and build a meaningful, strong career within our organization.

Under general supervision, your responsibilities will include:

Performing site selection, initiation, monitoring and close-out visits

Supporting the development of a subject recruitment plan

Evaluating the quality and integrity of site practices in accordance with regulatory requirements, i.e., Good Clinical Practice and International Conference on Harmonization guidelines

Managing progress by tracking regulatory submissions, recruitment, case report form completion, and data query resolutions

Collaborating with experts at study sites and with client representatives

Qualifications:

University degree in scientific discipline or health care

Experience in Pharma Industry, and/or Clinical Trials environment preferred

Very good computer skills including MS Office

Excellent command of Turkish and English language, Turkey based

Organizational, time management and problem-solving skills

Ability to establish and maintain effective working relationships with co-workers, managers, and clients

Flexibility to travel

Driver's license class B

What you can expect:

Resources that promote your career growth

Leaders that support flexible work schedules

Programs to help you build your therapeutic knowledge

Excellent working environment in a stable, international, reputable company

Company car, mobile phone and attractive benefits package

IQVIA is a leading global provider of advanced analytics, technology solutions and clinical research services to the life sciences industry. We believe in pushing the boundaries of human science and data science to make the biggest impact possible – to help our customers create a healthier world. Learn more at
