

Lead Construction Engineer (Saudi Arabia)

[Apply Now](#)

Company: Eram Talent

Location: İstanbul

Category: other-general

Eram Talent is currently seeking a highly skilled Lead Construction Engineer for a prestigious project. As a Lead Construction Engineer, you will play a key role in overseeing and coordinating the construction activities on the project. Our client, Eram Talent, is a leading organization in the construction industry, and this is a fantastic opportunity to showcase your expertise and advance your career in a dynamic and challenging environment.

If Selected, your job location would be **Saudi Arabia**.

Responsibilities:

- Manage and coordinate construction activities on the project

- Develop and implement project plans, schedules, and budgets

- Liaise with clients, contractors, and other stakeholders to ensure project requirements are met

- Monitor and report project progress, identifying any potential issues or delays

- Ensure that all construction activities comply with relevant codes, standards, and regulations

- Review and approve contractor submittals, including drawings, material specifications, and method statements

- Provide technical guidance and support to the construction team

Conduct regular site inspections to ensure compliance with safety and quality standards

Requirements

Bachelor's degree in Engineering or a related field

Minimum of 8 years of experience in construction management

Proven track record in managing and coordinating construction projects

Strong technical knowledge of engineering principles

Experience in working on large-scale construction projects

Excellent communication and leadership skills

Ability to work effectively in a fast-paced environment

Strong problem-solving and decision-making abilities
