We're Getir, the pioneers of super fast delivery. Our founding idea: Groceries in minutes, delivered to your door through our app. Now offering more delivery models across different locations, our goals are made possible by our one-of-a-kind business model with our unique technology at its core.

We know that our global ambitions can only be accomplished with exceptional people, and that is where you come in. Our rapidly growing environment is the perfect opportunity to take initiative and create your legacy.

What Youll Be Doing?

Quickly execute and optimize the necessary supply chain process, A to Z

Conduct our products logistical planning in order to ensure % availability, everywhere, all the time

Come with crazy ideas and be a part of supply chain innovation. Preferably crazy and smart, sometimes just crazy

Build bridges between our wonderful Accounting, Operations, and Supply Chain teams

Conduct complex, quantitative and statistical analyses, combine them with your common sense and then come with smart conclusions and recommendations

Report, analyze and deliver KPI's, such as availability, stock cover and business waste.

(Youll hear these words A LOT)

Monitor and track the inventory flow, levels, and store requirements. Work with warehousing and forecasting to reduce and eliminate unproductive inventory

Reviews inventory reports for their assigned sites and reports anomalies to the supply chain managers, this may include recommendations of changing orders and other creative thinking processes

What Do Youll Bring?

Minimum of 1-2 years experience

Bachelors degree (preferably in an Engineering field)

A really good knowledge of retail accounts operations, forecasting technology and supply chain management

Extreme willingness to learn, relearn, and learn again

Excellent Excel skills & willingness to master the spreadsheet

Resilience

You should be a fluent Turkish speaker and advanced English speaker

Amazing social skills. Youll be a part of a really cool team

Communication skills. You definitely need them when you do presentations. And when you know, communicating with other humans
