Company: Centerra Gold Inc.

Location: Develi

Category: other-general

Become a valuable addition to Centerra's Develi team

Boost your career by joining an established organization

We are global mining company which has several sites around the world.

We conduct all our activities in line with the policy of People First, from A to Z. We aim to build a fair and transparent culture where each employee has a say, shows their potential, creates value, and contributes to the company in order to create a high-performance, improvement-oriented, committed, highly engaged, satisfied, successful and healthy organization which is united under the same core values.

The core values of our company and the origin of our Inclusion, Diversity, Equity, and Accessibility policy are based on the concept of Respect. We are building a culture that recognizes and appreciates diversity of each individual, regardless of their language, race, religion, national or social origin, ethnicity, gender, disability and age, and that promotes equal opportunity under any circumstances.

We are looking for dynamic, pro-active, analytical approached, enthusiastic, innovative, passionate, and self-motivated **“Occupational Health & Safety Manager”**for our project in Develi / Kayseri.

All applicants will be considered within our Diversity, Equity, and Inclusion policy.

About The Opportunity

We are looking for an **Occupational Health & Safety Manager** to join our team.

Your responsibilities include, but are not limited to:

Demonstrating strong leadership and mentorship regarding occupational health and safety,

Leading the development of occupational health and safety culture, and promoting a culture of safety awareness and accountability through effective communication,

Providing in the implementation of HSE management systems, programs, and procedures to achieve the OH&S policy deployments,

Playing a critical role in implementation of OH&S Site Strategic Plan in alignment with Corporate OH&S long-term strategic plans,

Developing and implementing the Occupational H&S risk assessments and emergency response plans,

Collaborating with operational teams to develop and implement risk mitigation strategies,

Ensuring that all OH&S event are reported and investigated through detailed root cause analysis and that corrective actions are planned and implemented,

Regularly reviewing safety metrics and performance indicators to measure progress and drive continuous improvement initiative, and tracking necessary reporting including periodical OH&S KPI's,

Ensuring compliance with all relevant health and safety regulations including BEKRA, Integrated Management systems,

Keeping abreast of regulatory developments and industry trends to proactively address compliance issues,

Managing annual OH&S budget.

About You

To qualify, the following skills and experiences are required:

Bachelor's degree in engineering departments, mining engineering is preferred,

Minimum 15 years of experience in OH&S in Mining industry,

Has OH&S Expert Certification (A class),

Has an internationally valid OHS certificate (Nebosh, IOSH, OSHA) is preferred,

Working experience in multinational and English-speaking environment is must,

Fluency in English,

Good command of MS Office applications,

Solid experience in the integration management systems (ISO), ICMC and Seveso,

Advanced level of English skills,

Strong leadership and communication skills, with the ability to effectively engage and motivate employees at all levels,

Proven track record of developing and implementing successful health and safety programs,

Residing in Kayseri Develi district or willing to relocate.

Our ideal candidate is team-oriented, self-motivated, and willing to share knowledge.

This is your chance to be part of an established, industry-leading global organization with incredible room for career growth and personal development.

If you have the relevant skills to bring success to our team, then we invite you to **apply today** !
