Part Time Working Student (Strategic Logistics)

[Apply Now](#)

Company: Siemens Sanayi ve Ticaret Anonim Sirketi

Location: İzmit

Category: other-general

For our Smart Infrastructure, we are looking for Part Time Working Students (Strategic Logistics) in our Gebze Electrical Products (EP) Factory.

What part will you play?

The successful candidate will assist in overseeing and managing the department's overall supply chain and logistics strategies to maximize both process efficiencies and productivity. In addition, they will play a crucial role in developing and maintaining successful and collaborative relationships with vendors and distributors. In a currently very difficult supply chain market, we are looking for a talented and ambitious young professional to support our ongoing business-critical activities to ensure a stable supply of materials from our worldwide supplier base.

Assists in the planning, purchasing, scheduling and monitoring of the movement of materials through the Supply Chain

Assists in addressing inquires related to material requirements, shipments and customer order fulfillment

Assists in working with vendors to secure materials to support the production schedule/requirements

Assists in managing projects with respect to key initiatives both within the department and cross-functionally throughout the organization

Provides routine support to Supply Chain team with regards to data entry, coordination of

information flow and project coordination

What you need to make real what matters

2nd or 3th year undergraduate student in faculty of Industrial Engineering / Management / Business Administration / Economics or a related area.

Able to work 2-3 days/week in Gebze during winter time, 4-5 days/week during summer time.

Very good command of written and spoken English.

Good command of MS Office applications

Strong coordination and communication skills.

Flexible and good team player.

Result orientation with strong analytical thinking.

Open minded and highly collaborative.

#LI-HYBRID

As Siemens we believe physical barriers are not related to potential. Only the potential matters to us. Therefore, we look forward to receive applications of candidates with physical barriers and chronic illnesses. We support healthy relationships between candidates with barriers and their colleagues because we believe we can create differences together.

Siemens is dedicated to quality, equality, and valuating diversity and we welcome applications that reflect the diversity of the communities within which we work.

We are looking forward to receiving your online application. Please ensure you complete all areas of the application form to the best of you ability as we will use the data to review your suitability to the role.
