Category: other-general

Job Location: Trabzon

Company Description

Ferrero is a family-owned company with a truly progressive and global outlook and iconic brands such as Nutella®, Tic Tac®, Ferrero Rocher®, Raffaello®, Kinder Bueno® and Kinder Surprise®. As the love for our brands continues to grow, so too does our global reach. Represented in more than 50 countries, with products sold in more than 170, the Ferrero Group is loved by generations around the world. The secret to our global success? 38,767 dedicated employees who celebrate care and quality to craft a business, careers and brands we are proud of. Join us, and you could be one of them.

Diversity Statement

Ferrero is committed to building a diverse and inclusive culture in which all employees feel welcomed and appreciated and have the same opportunities. We believe all of our people are equally talented in their own way. In nurturing the curiosity and natural abilities of our employees, we provide them, generation after generation, the means to succeed personally and professionally, enabling them to craft their journey at Ferrero. The diversity of our talents is what makes our work environment multicultural, innovative and highly rewarding.

About the Role:

We are currently looking for **Process Engineer** for our Trabzon Plant who will be mainly responsible for developing, configuring and optimizing industrial processes in the location.

Directly working with the East Black Sea Area Industrial Manager, you will have the chance to grow within a great team.

If you have the passion to deploy new improvements with safety first vision, come and join us!

Main Responsibilities:

Develop, configure and optimize industrial processes from inception through to start up

Assess processes, take measurements and interpret and analyze data to prepare reports

Develop best practices, routines and innovative solutions to improve production rates and quality of output by applying continuous improvement

Manage new investment in time and budget plan; via measuring cost and time constraints as well

Provide process documentation and operating instructions

Follow up quality/H&S/customer complaint/internal & external audit countermeasures

Who we are looking for:

Bachelor's Degree

Preferably +2 years of relevant experience

Familiarity and experience with Process Background, Operation Excellence, 5S, Kobetsu Kaizen and Lean Manufacturing processes

Excellent analytical thinking, problem solving, reporting and people management

skills

Ability to use SAP

Fluency both in English and Turkish

Residency in Trabzon

How to be successful in the role and at Ferrero:

Consumers, quality and care are at the heart of everything we do. So, to be successful at Ferrero, you'll need to be just as consumer and product centric as we are - dedicated to crafting brilliant results for consumers around the world.
