BAT SAMSUN IS LOOKING FOR PROCUREMENT MANAGER- OPERATIONS

LOCATION: Turkey - Samsun

P URPOSE STATEMENT:

To act as the interface with local budget holders at end market level ensuring the delivery of both their service requirements and those of procurement.

To supervise sourcing activities for Turkey for the below categories that are managed at end

market level (. not globally or geographically managed).

Facilities Svc (Operations Functions)

Logistics

OSS

Production & Spare Parts

Utilities

DIMENSIONS :

Spend to be managed: 35m GBP

Number of suppliers managed: 300

Number of categories: 5 main categories

Direct Reports:2

Key Business Stakeholders: Factory Manager, TBNC Cluster Manager, End Market Top Teams

PRINCIPAL ACCOUNTABILITIES:

Business

To manage the customer relationship and all aspects of procurement related customer service for Turkey Operations functions.

To understand customer/business unit requirements including their business goals, targets, initiatives, directions and supplier performance requirements for their appointed end market.

To manage the local customer relationship for those categories, shaping demand and compliance where appropriate.

To collate all relevant end market business unit procurement requirements, providing the necessary information to ensure robust planning, budget and target setting.

Leadership

To own the relationship between procurement and its customers at end market level.

To challenge demand and requirements and manage customer expectations to ensure

compliance and drive continuous improvement.

To communicate appropriate supply chain and procurement messages regarding strategies, process and policies to customers, to ensure compliance and engender a common understanding of each others goals and targets.

Responsible for approving supplier selection for categories managed at an end market level.

Management

Responsible for implementing global and geographic category strategies and sourcing plans at end market level.

To ensure the business is compliant with procurement policy and actively manage any compliance issues.

To use a consistent approach using the agreed global policies, standards and platforms in all day to day tasks. This may include developing internal SLA's and monitoring against this performance.

To mitigate BAT's exposure to service delivery and commercial risk through the delivery of robust end-market contracts and the management of the business relationship.

BELONGING, ACHIEVING, TOGETHER

Collaboration, diversity and teamwork underpin everything we do here at BAT. We know that collaborating with colleagues from different backgrounds is what makes us stronger and best prepared to meet our business goals. **Come bring your difference**
