

Procurement Working Student - Part Time @Siemens Mobility Istanbul - Turkey

[Apply Now](#)

Company: Siemens Mobility Ulasim Sistemleri Anonim Sirketi

Location: İstanbul

Category: other-general

Siemens Mobility (SMO) is the world's leading provider of mobility solutions that enable the efficient, safe, and environmentally friendly transport of people and goods - and help improve the quality of everyday life for millions of people on all continents.

Motivated by innovation, we develop intelligent solutions for the growing digitalization of the transport sector. Our range of offerings includes rail vehicles, rail automation, road traffic management systems, rail electrification and services.

Today, we are recruiting for a **Procurement Working Student** to join our team in Turkey.

This is an excellent career opportunity for professionals looking to join a truly international team in one of the biggest projects of Siemens Mobility.

What are my responsibilities?

Support procurement activities (Such as: supplier registration, offer requests, negotiation preparations)

Support supplier management, analysis & evaluations)

What do I need to qualify for this job?

Third year undergraduate student in Engineering, Business Administration or Economics.

Ability to work 3 days/week in İstanbul or remotely.

Excellent command of English.

Advance level of MS Office (Word, Power Point, Excel).

Strong analytical skills and ability to perform complex analysis.

Good communication skills.

What We Offer:

Speak up culture.

Respectful Workplace

Being part of a global work environment

Remote working and remote living flexibility

Attractive remuneration package

Excellent recognition tools providing spot awards.

Learning & Development opportunities for both personal and professional growth

Leave days for parents and a variety of flexible working models that allow time off for yourself and your family.

Creche allowance for mothers

Share matching programs to become a shareholder of Siemens AG.

What else do I need to know?

As a world leader in developing and producing the most advanced technologies, we improve lives and further human achievements worldwide, while also protecting the climate - all thanks to our employees. Working with us, you have the foundation to develop personally and professionally. We give you the chance to do something significant, that benefits society and human progress. We give you the chance to create a difference.

We are looking forward to receiving your online application.

Please note: Only complete applications can be considered in the selection process.
