Join us in shaping the future of financial technologies as an **Associate Product Manager - Product Owner** at Sanction Scanner!

Sanction Scanner is a global fintech solution partner, providing technology solutions to prevent financial crime. We offer a diverse range of products and services in connected areas of fintech; including identity verification services, KYC/KYB and anti money laundering solutions. We work with a range of clients, from high-growth fintechs to legacy high street banks, and our trusted solutions have been used by over 300 brands.

As an **Associate Product Manager - Product Owner** at Sanction Scanner, you will play a crucial role in supporting our product management team and driving our product strategy forward. You will be responsible for:

Requirements

Bachelor's degree in Computer Science, Business Administration, or related field

3+ years of experience in product management, or related field preferred

Strong analytical skills and ability to conduct market research and analysis

Experience with Agile methodologies and software development processes

Knowledge of product management tools such as Asana/Microsoft 365/Notion

Strong communication and collaboration skills, ability to work effectively in cross-functional teams

Ability to multitask and manage priorities in a fast-paced environment

Expectations:

Conducting market research and analysis to identify customer needs and trends

Assisting with defining product roadmap and feature prioritization

Working closely with cross-functional teams (including development, marketing, and sales) to drive product development and launch

Developing and maintaining product documentation, including user stories and specifications

Conducting user acceptance testing (UAT) and ensuring quality assurance (QA) of product features

Identifying and troubleshooting product issues and defects, working closely with development and support teams to resolve them

Assisting with customer support inquiries and ensuring timely resolution of customer issues

Benefits

A Competitive Compensation Package- NET Salary payment with additional fringe benefits.

A meal compensation that is actually enough for a decent & nutritious lunch

Inclusive Health Benefits We are here for you with comprehensive support whenever you need it

Strong Appreciation and Reward Culture Your impact on Sanction Scanner's growth will be appreciated

Digital Membership Support- A balance you can use for your digital memberships.

Learning never ends! Training budget to help you grow in your role, gain new skills, and learn new things!

No Dress Code Dress as you like.

Dream Team. Be a part of great team and grow together

Software support. Subscription to any software you might need to perform at your best

Experience an international work environment that fosters positive energy through a caring team.

Be a part of shaping the future of Sanction Scanner by joining our innovative creators.

We provide equal opportunity to all, we do not discriminate based on gender, sexual orientation, disabilities, religion, or social origin.
