Description

Your dream job does exist.

Discover it at Vodafone!

We are looking for a **Product Owner / Remote**.

First things first: Our Brand.

Our Spirit, Our Way.

Here are the key behaviours that help us bring our Spirit and Purpose to life:

- Earn customer loyalty: Small things do matter.
- Experiment, learn fast: Just take the chance.
- Create the future: That's possible.
- Get it done, together: It's up to each of us to make it happen.

Here, everyone can feel free to be themselves and express their ideas.

We are proud to have the most flexible #hybrid way of working in Turkey.

Together with your team, you can decide which days to come to the office depending on your work requirements.

Another favorite: Meeting-free afternoons! Every Friday, arrival of the noon means we can

start to take it easy: spend time working on our personal development or catching up with our team. We call this #CumaKafası (Friday mood :)).

And yes we are Agile! The world is constantly changing. And we cannot afford not to! Our journey began by simplifying our organizational model and transforming into a more agile structure that now we use extensively, especially in our development processes.

Why is this role really critical to us?

Ensuring that Customer Service Performance and benefits are included in digital environments and constantly improving them

How will you spend your time at Vodafone?

- Analyze areas for improvement for agent and agent tools development.
- Design and develop agent desktop tool in coordination with Agile teams.
- Provide feedback and ensure improvement of agent information sharing systems.
- Increase the agent efficiency by defining system improvements/
- Search for new technologies for agent development
- Set up meetings with the operations on a regular basis to gain input.
- Sectoral research towards (automation) processes to define which one works the best for Vodafone

You are just the person we've been looking for, if you have:

- Analytical thinking
- Strong people and team communication and coordination skills
- Strong follow up skills and ability to work under pressure and challenging targets
- Works effectively in changing environment
- Excellent presentation skills (both powerpoint preparation and presentation to management)
- Ability to analyze data and use related tools (Excel, Business Objects)
- Customer focused
- Ability to take personal accountability and ownership for key decisions and initiatives
- Competence in working with the customer and service-oriented,
