Product Specialist (New Grad)

[Apply Now](#)

Company: Dream Games

Location: Şişli

Category: other-general

Job Description

We are looking for a passionate new grad to join our team as a Product Specialist. This is an exciting opportunity to ensure the game's success and growth by contributing to developing the product roadmap. In the studio, you will work closely with engineers and artists to create games that will be played by millions of people all around the world.

At Dream Games, all team members have a genuine chance to contribute to the final product and have an impact on the company. If you want to be a team member of a fast-growing company, you might be the person we are looking for!

Responsibilities

Improving game experience based on metrics and user feedback

Designing game mechanics and features

Thinking creatively to design unique, fun, and engaging features for our players

Analyzing a massive amount of player data to make design decisions

Structuring, running, and monitoring A/B tests and derive insights using statistical analysis

Staying up-to-date with the mobile market, playing and analyzing mobile games, and sharing new insights with the team

Requirements

Fresh graduate with a bachelor's degree

Passion for games and game development

Strong analytical skills to make data-driven decisions

Excellent communication skills

Appreciation and understanding of teamwork

Compensation & Benefits

Monthly net salary is 150.000 TL

Health, dental, and vision insurance with %100 coverage

Relocation support as needed

Protecting your privacy and the security of your data is a top priority for Dream Games. We collect and process your personal data as confidential as part of the recruitment process.

Please read our and to know more details.
