

Production Planning Specialist

[Apply Now](#)

Company: Hugo Boss

Location: Izmir

Category: other-general

Job Details

Our vision is to establish HUGO BOSS as the leading premium tech-driven fashion platform worldwide and to be one of the top 100 global brands. At HUGO BOSS, we work as a team to apply our knowledge, skills and experience together and create a diversity of ideas and solutions. What unites us? We love fashion, we change fashion!

At HUGO BOSS, you have the opportunity to contribute your personality, ideas and creativity - because only when we break new ground together can we create something unique.

Become part of our team of more than 17.000 employees worldwide and shape your future at HUGO BOSS!

To be part of our dynamic, passionate world we are looking for a Production Planning Specialist to be charged in our HUGO BOSS Izmir factory.

What you can expect:

Coordination, collaboration, and information flow among production, customers, and other collaborators,

Monitoring the status of materials for orders received for production and tracking deadlines with customers or internal stakeholders,

Transmitting orders to production units and monitoring orders throughout production stages to ensure on-time and accurate delivery,

Preparation of the weekly production plan in line with incoming orders, considering line layouts and ensuring timely performance delivery, and publishing it on time,

Preparation of all internal and external reports related to the production plan and associated KPIs.

Your profile:

Graduated from Engineering Faculties,

Experienced in production planning in the supply chain department,

Proficient in MS Office programs,

Advanced level of English proficiency,

Strong communication skills, dynamic, and inclined towards teamwork,

Capable of comprehensive data analysis, with a strong focus on customer orientation

Preferably experienced with SAP.

Your benefits:

#BeYourOwnBoss and we are going to support your individual leadership development with HUGO BOSS NewBie Program,

Today. Tomorrow. Always. Sustainability is one of our key values, and more than just a trend. We are committed to environmental, animal and climate protection, and human rights.

We care about balance in every moment of life and to support this, we offer social facilities such as a fitness center, basketball, volleyball, football, tennis sports fields and a hairdresser for men/women at Hugo Boss Izmir.

As a fashion company, we value good taste in everything - including food. You can have your lunches in our à la carte restaurant, sip your Starbucks coffee during your break, and place your boutique cake orders from our patisserie for your special days.

We also know the value of our health. In addition to Private Health Insurance, you can also benefit from our comprehensive health services offered by our workplace doctors, physiotherapists, nutritionists, psychologists and nurses.

Information on KVKK(Personal Data Protection Law)

Before uploading your CV, please check whether you have shared any special personal data (for example, your race information, ethnic origin, political opinion, religion, association, foundation or union membership, health data, etc.) within the scope of the Personal Data Protection Law, and please give your explicit consent. Otherwise, do not share this data with us.

We are a global company with our employees representative of the world at large. Our inclusive culture embraces each person's authenticity and individuality. We are committed to equal employment opportunity. And we believe our equitable work environment helps unleash your full potential and inspires you to thrive.
