Making Innovation work

Tenity is an independent global innovation ecosystem and early-stage investor with offices in Zurich, Singapore, Madrid, Istanbul and Tallinn.

Tenity is now entering a new growth phase - do you want to contribute to building a globally leading fintech innovation ecosystem and an early-stage investor by taking ownership and making a difference within the organisation?

Key Task & Responsibilities

Oversee program deliverables, schedule, and logistics.

Facilitate key events such as workshops, mentorship sessions, and demo days.

Coordinate communication and ensure effective engagement of stakeholders like mentors and investors.

Build and maintain strong relationships with corporate partners, understanding their objectives and ensuring their satisfaction.

Collaborate with internal teams to design and implement services that add value to partners and startups.

Track program performance and make data-driven recommendations for enhancements.

Strengthen the startup ecosystem through networking events, collaborations, and

online engagement.

Lead a team, setting objectives, monitoring progress, and ensuring client and partner retention.

Regular reporting to the Program Lead, team and stakeholders.

Your Profile

At least 3 years experience in managing startup programs, driving success, and engaging with startups effectively.

Effective project management skills, handling multiple projects with diverse stakeholders.

Strong interpersonal and communication skills, fostering productive relationships with founders and stakeholders.

Passionate about emerging technology trends, corporate innovation and investment prospectives.

What we value

Goal-oriented individual displaying a high level of tenacity and drive for excellence.

Self-starter willing to take on responsibilities that improve operational efficiency and deliverable quality.

Strong interpersonal and communication skills with the ability to build mutually beneficial relationships with founders and external stakeholders.

Entrepreneurial empathy and respect for early stage startup founders.

Ability to grasp and filter new ideas quickly and must have demonstrated great interest in the latest technology trends.

Ability to manage multiple projects and execute processes while working with diverse and/or remote stakeholders.

What we offer

A shared vision: We are a community-driven movement that believes the future of finance is shaped through collaboration. Making innovation work.

Modern work culture: As a young and rapidly developing company, we allow employees to make decisions and help shape our success.

Great people: Work with smart and dedicated people. Our team is diverse, collaborative, and tight-knit, with people from all walks of life.

The best startups: Many Tenity Alumni are award-winning and raised substantial rounds from international investors. You will be working with them.

A thriving ecosystem: You get to work with multiple international corporations and experts while expanding your network on any level.

Tenity is a global innovation ecosystem and early-stage investor making innovation work and advancing the future of finance. Our story began back in 2015, when Tenity (formerly F10) was founded in the heart of the Swiss financial center Zurich. Since then, we have grown to four hubs and a global team across Europe and Asia.

We believe collaboration is the key to innovation. We bring together ambitious founders with leading corporations, forward-thinking investors, and passionate mentors – and together, we create an ecosystem that powers the future of finance.
