

## QA/QC Engineer - (Saudi Arabia)

[Apply Now](#)

Company: Eram Talent

Location: Ankara

Category: other-general

Eram Talent, a renowned talent acquisition company, is currently seeking a skilled and experienced QA/QC Engineer to join our team. As a QA/QC Engineer, you will play a crucial role in ensuring the quality and compliance of projects in Saudi Arabia.

### About the Role:

Perform quality control inspections and checks on equipment, materials, and workmanship to ensure compliance with project specifications and industry standards.

Develop and implement quality control procedures and processes to maintain a comprehensive Quality Management System.

Review and approve quality assurance and quality control documents and reports.

Collaborate with project managers and contractors to address quality issues and develop corrective actions.

Provide technical guidance and support to project teams on quality control matters.

Stay up-to-date with industry standards, regulations, and best practices in QA/QC.

### Requirements

Bachelor's degree in Engineering or a related field.

Minimum of 5 years of experience in QA/QC within the relevant industry.

Strong knowledge of industry quality standards and regulations.

Experience in conducting quality control inspections and checks on equipment and materials.

Proficient in using quality control tools and software.

Excellent communication and interpersonal skills.

Ability to work collaboratively in a team environment.

Strong attention to detail and analytical skills.

Relevant certifications in quality management or related fields are preferred.
