

Quality Assurance Engineer

[Apply Now](#)

Company: Rapsodo

Location: İzmir

Category: other-general

Rapsodo Sports is a sports analytics company that uses computer vision and machine learning to help all athletes maximize their performance. Our proprietary technology applications range from helping PGA Tour golfers optimize their launch conditions to allowing MLB pitchers to increase the efficiency on their breaking balls. Current partners include all 30 MLB teams, MLB, USA Baseball, Golf Digest, PGA of America, and over 1000 NCAA athletic departments.

As Rapsodo continues to grow and expand our business internationally, we are looking for a hands-on, driven, and empathetic Quality Assurance Engineer with a passion for collaborating and making a difference.

Job Description

Detail-oriented quality assurance engineer to be in charge of all quality assurance activities.

The responsibilities of the quality assurance technician will include the implementation of quality assurance policies, the maintenance of test process standards, and the identification of process or product problems.

To produce quality products in accordance with the goals of our company and to take part in all test activities that increase the quality of our company.

Responsibilities

Create test scenarios and test cases in collaboration with other team members

Execute test cases (manual or automated) and analyze results

Being familiar with tools for test management and bug tracking

Test case preparation

Test report preparation

Test execution result

Working knowledge of test management software (e.g. Jira, Xray) is a plus

Requirements

Bachelor degree in a technical field (Computer Engineering, Electrical and Electronic Engineering)

At least 3 years of QA testing experience

Experience in Agile frameworks and regression testing desired

High attention to detail and solid analytical skills

Proficient in test management software

Good working knowledge of programming languages

Strong written and communication skills in English

ISTQB Certification is a plus

If you think you have what it takes and look forward to working independently as well as contributing in an innovative, passionate, and driven environment, please send in your application.
