Quality Engineer, Gebze Plant

Apply Now

Company: Fater Spa

Location: Gebze

Category: other-general

Descrizione azienda

Fater is an Italian company, a joint venture between Procter & Gamble and Angelini Industries. In Italy it has been expanding the market of personal hygiene products since the late '60s and it now produces and sells brand products such as **Pampers**, **LINES**, **LINES Specialist** and **Tampax**.

Since 2013 it manufactures and distributes the brand products **ACE** and **Neoblanc** in 38 countries in Western Europe, the Central and Eastern European markets and Middle Eastern markets; Fater is a dynamic company that invests in innovation around 4% of its annual turnover. Consumer and market knowledge shared competencies and search for efficiency are the drivers of growth in the long run. Our headquarters are in Pescara. Our production plants are in Pescara and Campochiaro in Italy, in Porto, Portugal and in Gebze, Turkey.
