

Turkey Jobs Expertini®

R&D Assistant Specialist

[Apply Now](#)

Company: Sensient Technologies

Location: Gebze

Category: other-general

At Sensient Technologies, we are experts in the science, art and innovation of color and flavor. We are market-savvy and visionary. We are problem solvers. And we will be better with you.

We are looking for R&D Assistant Specialist to join our team and support the Colors business in Turkey. This position is a key member of the Sensient team, where you will be required to push boundaries and add value onsite in the office in Gebze, 5 days per week.

What you'll do:

Provide color match/color recommendations for customer's product by performing various trials to model the customer's formulation and/or process and conducting stability testing

Service mainly our local customers

Make application of Sensient products, comparing their application performance with competitive support to the local sales team and distributors in application and related processes

Evaluate sample library (application and marketing) periodically to ensure accuracy and completeness

What you'll bring:

Associate or Bachelor's degree in related departments

Minimum 1 - 2 years of working experience from food industry

Experience with various confectionery, bakery applications and recipes are preferred

Upper Intermediate or higher English knowledge

Advanced Microsoft Office knowledge

What you'll get:

Opportunity to collaborate with your colleagues, onsite 5 days per week

An attractive compensation offering and development opportunities

A thorough and effective training experience during onboarding and beyond

About Sensient:

Sensient Technologies Corporation is a leading global manufacturer and marketer of colors, flavors, and extracts. Sensient employs advanced technologies at facilities around the world to develop specialty food and beverage systems, cosmetic and pharmaceutical systems, specialty colors, and other specialty and fine chemicals. The Company's customers include major international manufacturers representing most of the world's best-known brands.
