Great Career Opportunity

Dynamic working environment

Müşterimiz Hakkında

Our Client combines thirty years of Pilates teaching experience with cutting-edge equipment design.

Our client produces and market meticulously crafted equipment - each piece is handcrafted - that captures the essence of strength, athleticism, and rehabilitation. Our client has created a dynamic vehicle for the global Pilates community.

From the sturdy beech wood to the aerospace-grade aluminum, our equipment offers longevity, smooth transitions, and extraordinary comfort.

İş Tanımı

Contribute to the technical development of new products and improvement of existing products.

You will help us build the products to delight our customers in the future, and help us even further improve the technical design and execution of our current products.

Aradığımız Profil

2D and 3D product development & design experience

Highly experienced with design programs (Solidworks) and contributing to innovation

Engineering / higher technical education background

Analytically strong, high problem-solving ability, looks for solutions

Strong communication skills, we work in a team and win together

Teklif Edilenler

Great Career Opportunity

Dynamic working environment
