Company: Sanofi

Location: İstanbul

Category: other-general

Ready to learn more about us?

We are Sanofi, an innovative global healthcare company. We chase the miracles of science to improve people's lives.

Our team, across some 100 countries, is dedicated to transforming the practice of medicine by working to make the impossible into the possible. We provide potentially life-changing treatment options and life-saving vaccine protection to millions of people globally, while putting sustainability and social responsibility at the center of our commitments.

We are one of the largest pharmaceutical companies in Türkiye, serving public health for with more than 1,600 employees. Adding value to local economy and development in Türkiye, we offer a broad range of products including innovative therapeutic solutions, biotechnological pharmaceuticals, vaccines, and consumer healthcare products.

Our factory in Luleburgaz is one of the leading pharmaceutical manufacturing plants in Türkiye. It is also among the top three Sanofi production sites worldwide in terms of its manufacturing capacity. Our manufacturing site produces high-quality pharmaceuticals in many different forms in accordance with global health standards and develops generic medicine at its on-site R&D Center.
