Company: Hilti Group

Location: İstanbul

Category: other-general

What's the role?

This is more than an ordinary internship programme; you will be working with us around 6 months and have a chance to be employed for sales, marketing, engineering or other departments within Hilti.

Who is Hilti?

Hilti is where innovation is improving productivity, safety and sustainability in the global construction industry, and beyond. Where strong customer relationships are creating solutions that build a better future. Where there is pride and a sense of belonging across our 120 locations, carrying right into our lives and homes. Where people are exploring possibilities, leveraging their potential, owning their personal development and growing lasting careers.

What does the role involve?

The purpose of the role is to provide the team member with an on-the-job learning experience as they complete their education and begin a career.

Hilti supports your career: last year alone, we supported more than 20 international moves worldwide, opening up international career paths for our employees

What do we offer?

Show us what you're made of, and we'll work towards finding you a permanent position in Hilti; we can then later offer you opportunities to move around the business – to work abroad, experience different job functions, and tackle different markets. It's a great way to find the right match for your ambitions and achieve the exciting career you're after

What you need is:

If you are a senior or Masters student in Engineering disciplines, preferably Civil or Mechanical Engineering,

Able to work minimum 4 full days in a week,

Have a good level of English,

Advanced MS Office knowledge,

Previous Internship experience is a plus,

Passion for learning and growing in the sales field,

Eager to learn, open to communication, self-motivated, team player,

Strong analytical thinking, result oriented,

Resident in Asian side of Istanbul.
